March 27, 2008

Jennifer Friedman, Librarian  
West Acton Citizens' Library

Acton, MA 01720

Dear Jennifer,

Enclosed is a copy of Certificate of Appropriateness #0802 for the rehabilitation project you have proposed for the Citizens' Library.

As you know, the application was approved unanimously by the commission at a meeting on March 17, 2008 pending the expiration of the waiting period for the notices to abutters. That period has now ended, and you may go ahead with the work as soon as the Community Preservation Committee has signed off on it.

The commission is happy to see that the library building will be treated with such sensitivity and respect, and we wish you the best with the work. Please get back to us if you have any questions or if anything in your plans changes.

Sincerely,

Anne Forbes
